# 10% Off Solar Covers and Solar Cover Reels

## Solar Covers

Slash your pool heating costs up to 70% when you use an insulating solar blanket!

- Helps lower chemical costs.
- Solar blankets keep pools an average of 10 to 15 degrees warmer than uncovered pools.
- Reduces water evaporation up to 90%.
- Raises the water temperature by absorbing sunlight during the day and retaining the heat at night.
- Over 30 sizes in stock!
