NATURAL GAS (propane available)

\$100 OFF Aquabot Supreme Automatic Pool Cleaner

SUPREME VACUUM - \$999.99 (reg. \$1099.99)

PERFORMANCE

- Cleans any residential size, shape, surface and type of pool.
- Filters out algae and bacteria down to 2 microns in size.
- Cleans floor and wall to waterline.
- Vacuums up all types of debris, from leaves and twigs to sand and silt.

ADVANTAGES

- Built in filtration system, independent of your pool's filter.
- No hoses, filter connections, installations or assembly required.
- No booster pump is required!
- SAVINGS! Cost pennies a day to run. Maintains a cleaner pool so fewer chemicals are needed.
- Easy to clean, reusable filter bag.
- 2 Year Warranty
- Ready out of the box. Plug it in and push a button.
- Cleans most pools in just 2 hours!

10% Off Solar Covers and Solar Cover Reels

Solar Covers

Slash your pool heating costs up to 70% when you use an insulating solar blanket!

- Helps lower chemical costs.
- Solar blankets keep pools an average of 10 to 15 degrees warmer than uncovered pools.
- Reduces water evaporation up to 90%.
- Raises the water temperature by absorbing sunlight during the day and retaining the heat at night.
- Over 30 sizes in stock!
