Rheem offers a complete line of gas and propane heaters to fit almost any application. Designed for highly economical and reliable pool heating, it features dependable, safe and easy matchless lighting, fast heat-up, and exceptional efficiency for lower operating cost. Its space saving, low profile design blends into any backyard decor.

NATURAL GAS (propane available)

10% Off Solar Covers and Solar Cover Reels

Solar Covers

Slash your pool heating costs up to 70% when you use an insulating solar blanket!

- Helps lower chemical costs.
- Solar blankets keep pools an average of 10 to 15 degrees warmer than uncovered pools.
- Reduces water evaporation up to 90%.
- Raises the water temperature by absorbing sunlight during the day and retaining the heat at night.
- Over 30 sizes in stock!

Solar Cover Reels

Make putting on and removing your solar blanket a cinch with a solar cover reel! Not only do these reels save time, they also keep your solar cover securely wrapped for ease of use.
